

Music Resources

Hello, H.N.I.S. students and parents!

I can't wait to see you all again! During our time apart, I have put together several resources for you so that you can continue to explore music. You will find links to each of these items next to this file on the H.N.I.S. website.

Students, as you complete these games, I would LOVE for you to send me a picture of what you've done! You are ALWAYS welcome to email me with questions or about anything music related you would like to chat about. I will happily respond to all of you!

What do I have available for you?

- **Music Bingo!** Complete the activities on each square and then color that square to mark that you have completed it. When you have 5 in a row (any direction), you have a bingo! For BONUS, complete all squares for a blackout bingo!
- **QUAVER Bingo!** Log in to Quaver and follow the activities and tasks on each square to get a bingo (or black out bingo, more BONUS!)
- **YOUTUBE!** I have created an HNIS Music YouTube page for parents and students to explore. All links in the playlists are educational music links where students can explore and perform music. <https://tinyurl.com/HNISMUSIC>
- **Quaver!** If you've not logged into Quaver before, visit the Quaver Bingo page for instructions. This is an AMAZING and FUN resource! Parents, Quaver is a district provided music curriculum that students can access through ClassLink.
- **50 Online Art & Music Resources:** <https://tinyurl.com/tcbbqcp>

Don't hesitate to email me if you have any questions or if I can be of ANY help to you!
